

Woodland Wreath

Bring the great outdoors into your home by crafting a fun woodland wreath. Let your kids be at one with nature and wildlife indoors while it's raining outdoors.

What you'll need:

- Coloured card
- Pencil
- Scissors
- Needle and thread

Our Step-by Step

STEP 1 Use coloured card to draw and cut out woodland creations.

STEP 2 With a needle and some thread, stitch together your wreath and decorate the home with some woodland magic.

Adult supervision is required.
