

# The Hungry Shark

Get your kids to feed a great white shark in this aquatic adventure, just watch out for those teeth!

## What you'll need:

- Cardboard
- Scissors
- Paint

## Our Step-by Step

**STEP 1** Grab some cardboard and cut a large hole for the mouth.

**STEP 2** Paint the shark with its jaws wide open, and don't forget the big, white teeth.

**STEP 3** Cut out and paint some small fish, and now it's time to feed the shark! See how many fish your kids can throw into the shark's mouth.

*Adult supervision is required.*
