

# Bunny Straw

Share with your kids the magic of a delicious glass of Nesquik, with a special bunny straw.

## What you'll need:

- Coloured paper
- White paper
- Scissors
- Coloured pens or pencils
- Glue stick
- Tape
- Straw

## Our Step-by Step

**STEP 1** Use 1 piece of white paper and 1 piece of coloured paper to draw cut out and stick together the bunny, as shown in the image.

**STEP 2** Tape the bunny to a reusable straw and then they're ready to drink chocolatey milk with their new bunny buddy.

**Tip** You can easily remove the bunny when you need to wash the straw, then stick it back on ready to be used again.

*Adult supervision is required.*
